

Sanlam Simplifies Artificial Intelligence - Introduction

In his recent live webinar Chris Ford, Fund Manager, gives an overview of the Sanlam Global Artificial Intelligence Fund, its philosophy and the reasons why it was launched in the first place.

Other topics include:

- What types of companies does the fund invest in?
- What opportunities has the COVID crisis revealed in AI?
- What is the outlook for the fund?

All investments are presented for information only and are not a personal recommendation to buy or sell. Past performance is not a reliable indicator of future returns. The value of investments and any income from them can fall and you may get back less than you invested.
