

SVS Sanlam UK Equity Growth Fund

A high conviction, long-only UK equity fund with a growth style bias. Focused on growth themes & companies within the UK which are adapting to the modern economy.

The Fund seeks to achieve long-term capital growth by investing primarily in companies deemed by the manager to have above average growth prospects.

The fund

- Targets long-term capital growth.
- Invests primarily in established UK companies.
- Managed by a highly experienced team.
