

Sanlam Global High Quality Fund

A focused portfolio of the highest quality and attractively priced global companies.

Managed by Pieter Fourie and his team since launch in February 2014, the fund focuses on capital growth and aims to deliver excess returns over the MSCI World Index over the long term.

The fund:

- Is managed by a highly experienced team with an award winning track record
- Invests in best of class, high quality companies with strong growth prospects
- Focuses on 25-35 companies and is unconstrained by the benchmark
