

Three Sanlam Investments funds earn 5 FE Crowns

FE Fundinfo's bi-annual crown ratings reshuffle has taken place, with three fixed income Sanlam Investment funds achieving the maximum five crowns. Three additional Sanlam Investments funds secured four crowns.

The ratings apply to funds with at least three years of history and are designed to help investors identify funds that have excelled in terms of stock picking, consistency and risk control.

The rebalancing takes place every January and July, with the top 10% of funds awarded five FE crowns.

The funds to achieve these ratings are:

Fund	FE Crown
Sanlam Credit Fund	5
Sanlam Global Inflation Linked Bond Fund	5
Sanlam Hybrid Capital Bond Fund	5
SVS Sanlam European Equity Fund	4
SVS Sanlam North American Equity Fund	4
SVS Sanlam UK Equity Growth Fund	4

Past performance is not a guide to future performance
