**Section 8. Access to Medical Reports Act 1998**

Prior to estimating the discount we may need to obtain information about your state of health. Such a request may be made by us or by our agents for underwriting purposes. Accordingly wherever we refer to 'we' or 'Sanlam Life & Pensions UK Limited' in this section this includes our underwriting agents.

We may need to apply for a medical report from each of the doctors named in this medical questionnaire as having been your own doctor, or as having treated you for any reason. We may also apply to any other doctor who is named in any of these reports as having treated you.

You have the right to refuse to consent to our applying for any or all of these reports, though if you do we may be unable to provide an estimate of the discount.

You also have the right to notify us if you wish to see any report before it is sent to us. You will have 21 days in which to see it if you want to do so. You may also have access to a report by notifying the doctor preparing it. If he has not already sent the report to us you will then have 21 days in which to see it.

If you exercise your right to see a report before it is sent to us you may then instruct the doctor to withhold that report from us. You may also ask him to amend it if you disagree with its contents.

A doctor may decline to let you see all or part of a report to which you have requested access if he considers that this would be inappropriate. In these circumstances you would be asked for your consent before he can release it to us.

You will appreciate that the estimated level of discount cannot be calculated until we have received and assessed all the medical reports we need.

Each doctor must keep a copy of the report he prepares for six months, during which time you may ask to see it.

I have been advised of my rights under the Access to Medical Reports Act 1988. I acknowledge that Sanlam Life & Pensions UK Limited proposes to apply for medical reports from my own doctor, the doctors named on this medical questionnaire as having treated me in the past and any further doctors named by those doctors as having treated me. I consent to any and all of those doctors complying with these applications. A copy of this consent shall have the same effect as the original.

I do not wish to see any such report before it is sent to Sanlam Investments and Pensions
