Application form

Please note that this form is designed to be completed in consultation with your Financial Adviser and any special deal relating to this application will be applicable when the investment amount is £100,000 and over. Please also note that any special deal terms applicable should be discussed with your adviser prior to completing the application to ensure you understand the terms on which the details are based and that you will be placed on standard charging for this product should you fall outside the deal terms. If completing 'Section 3. Transfers' you should seek advice as to whether to transfer, including the possible tax consequences.

- The information given and that we have asked you for in this form is based on our current understanding of the law governing registered pension schemes. We may need to ask you for more information in the future to comply with the law.
- The information which you give us will be used to decide whether you are eligible to join the Sanlam Personal Retirement Scheme (SPRS) and how any tax relief may be granted.
- If you make, or someone on your behalf makes, a single contribution or if your contributions are increased significantly before you reach age 75 in the two tax years before or in the two tax years after the tax year in which you take a pension commencement lump sum, HM Revenue & Customs (HMRC) may interpret this as a way of artificially generating tax relief. This may lead to a tax charge on the lump sum payment in some circumstances.
- Where applicable, we will use the information you give us to decide whether you are eligible to make a contribution or transfer payment to the scheme.

Please remember that it is a serious offence to make false statements in connection with your application and that the penalties for this are severe and could lead to prosecution.

- Sanlam and Sanlam Investments and Pensions are trading names of Sanlam Life & Pensions UK Ltd (SLP) and Sanlam Financial Services UK Ltd (SFS).
- SLP is authorised by the Prudential Regulation Authority (PRA) and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority.

We will use this Schedule of Payments to determine the 'due date' of your employer's payments. Your employer must tell us of any changes before they happen, so that a revised schedule can be in place by the date of the change. We may also have to make a report to the Pensions Regulator if the employer does not give us sufficient payment information, does not keep the Schedule of Payments up to date, or if we do not receive full payment by the 'due date'.

Section 5. Details of beneficiaries

The Scheme Administrator has discretion as to how and to whom death benefits are paid. These benefits can be paid to one or more of your beneficiaries according to the rules of the scheme, and are normally free of inheritance tax.

Please nominate who, in the event of your death, you wish any death benefits to be paid to.

You should speak to your Financial Adviser if you need help in completing this section.

Schedule of Nominations

I wish to nominate the following person(s) to receive any death benefits which become payable under my Account. I understand that the nomination(s) is an expression of my wishes, which is not binding on the Scheme Administrator.

Please indicate the percentage of your fund that you would like each to receive. You can also make a nomination to other types of beneficiaries, such as the trustees of a trust, but a trust can only receive death benefits as a lump sum.

Charity lump sum death benefit

You may nominate a charity to whom your pension fund may be passed as a lump sum on your death. This can be paid only if you have started to take pension benefits, or you are aged 75 or over, at the time of your death, and have no dependants. Any charity lump sum death benefit will be paid tax free. Please contact us if you wish to nominate a charity.

Tax

In the event of your death, the benefits may be paid to one or more beneficiaries either as a lump sum, or as flexi-access drawdown.

On death before age 75, all benefits will be paid free of tax, if paid or designated to flexi-access drawdown within two years of notification of death.

On death on or after age 75, the benefits will be liable to tax. Details of the tax rates that apply are as set out in our factsheet "Pension Scheme Allowances & Tax Charges", available on our website or on request.

Following the death of a beneficiary the tax treatment will depend on the age of the beneficiary who was holding the pension at their death. For example, this will normally be tax free if death occurs before age 75 and taxable if death occurs age 75 or over.

If your beneficiary has not withdrawn the entire pension fund before their death then the funds can be passed on again. Your beneficiary will be able to nominate other beneficiaries (also known as successors) who they want the funds to go to following their death.

The successors will then have the option of taking the funds as a lump sum or using it to provide an income.

Ill health

If you die within 2 years of transferring your pension fund and were in ill health at the time of the transfer, HMRC may consider the transfer of funds to be a deliberate act to deprive them of tax on assets which would otherwise have formed part of your estate. Such transfers must be reported to HMRC following your death and may result in HMRC imposing a tax charge.

Keeping your nomination up to date

You may tell us of a change of nominated beneficiary at any time. It is important to keep your nomination up to date and that it reflects your current circumstances. The scheme administrator has discretion how and to whom the death benefits are paid. We will on your death make enquiries of your potential beneficiaries and take account of your wishes, but the Scheme Administrator is not bound by them.

Section 7c: Client Money Arrangements

- a. Money received from you by Sanlam Financial Services UK Limited (SFS) under your OneSIPP, or held on your behalf by SFS, will be deposited no later than the next business day after receipt into a client money bank account held in SFS's name (SFS Designated Client Money Account). Money received from you will normally be transferred within three business days of initial receipt from the SFS Designated Client Money Account to Sanlam Life & Pensions UK Limited (SLP) for investment in a unit linked pension policy (the Policy) issued by SLP to Sanlam Trustee Services UK Limited, the Trustee of the Sanlam Personal Retirement Scheme (the Scheme).
- b. Money held in the SFS Designated Client Money Account will be held as client money in accordance with the Regulator's rules. The SFS Designated Client Money Account is a trust account held in SFS's name at a bank selected by SFS in accordance with the Regulator's rules, and is named in accordance with those rules. Money held in the SFS Designated Client Money Account is segregated from SFS's own funds, but will be pooled with money held on behalf of other SFS clients. This means that your money held by SFS will be held as part of a common pool of money, so you will not have a claim against a specific sum in a separate account; rather your rights will vest in the client money pool.
- c. You will not receive interest on money that is held in the SFS Designated Client Money Account.

- d. In certain circumstances, SFS may hold money for you, which has been allocated to you but has not been claimed by you. SFS reserve the right to cease treating unclaimed monies as client money under the Regulator's Rules provided SFS have taken the appropriate steps (as defined by the Regulator) to trace and return such monies to you. Provided the steps outlined by the Regulator have been taken and we continue to act reasonably and fairly, we may pay such monies to a registered charity. You should note that we undertake to make good any valid claim against monies that were released from being treated as client money, upon the provision by you of information to evidence the validity of any claim.
- e. In agreeing to these terms you consent to your monies in the SFS Designated Client Money Account being held at our bankers, currently Barclays Bank Plc and JP Morgan.

Where the payment(s) made to Sanlam Investments and Pensions represent(s) part of the funds under the plan(s) listed in Section 3 of this application, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from that part of the plan(s) represented by the payment(s).

I promise to accept responsibility in respect of any claims, losses and expenses that Sanlam Investments and Pensions and the current provider may incur as a result of any incorrect information provided by me in this application or of any failure on my part to comply with any aspect of this application.

If I have taken benefits from any pension arrangements, with the current or any other pension provider, in a way which means I am subject to the Money Purchase Annual Allowance (MPAA), I have supplied the date the MPAA first applied to me in section 2.

I understand that this does not prevent me from bringing a claim against Sanlam Investments and Pensions in the event that any act or omission by them is established.

Section 8. Notes

A. General

The descriptions and definitions given in these notes are for outline guidance only and are not binding in law.

The descriptions and definitions which apply are those in the legislation. If you are in any doubt, you should contact the scheme administrator, your accountant or, where appropriate, your Inspector of Taxes. 'HMRC' means HM Revenue & Customs.

Please also refer to our factsheets entitled 'Pension Scheme Allowances & Tax Charges' and 'Pension Contributions & Tax Relief' for information on the applicable limits, tax charges and the protection regimes that apply.

B. Annual allowance

- i) The total pension savings made by, and in respect of, a member to all registered pension schemes, including any employer contributions, must be tested in each tax year against the annual allowance for that year. There is an exemption from the annual allowance test in the tax year in which a member takes all benefits due to serious/severe ill health from an arrangement and in the tax year in which a member dies.
- ii) **If the available annual allowance is exceeded, there is a tax charge on the member which will negate any tax relief available.**

Further information on carry forward of unused Annual Allowance, the Money Purchase Annual Allowance, and the Tapered Annual Allowance is available in our factsheet 'Pension Contributions & Tax Relief'. Alternatively, please speak to your Financial Adviser.

C. Basic amount

The basic amount is £3,600 gross (£2,880 net of basic-rate tax) for the current tax year. The figure may be increased for future years by the Treasury.

D. Relevant UK earnings

This is defined in the pensions tax legislation at section 189 (2) & (3) of the Finance Act 2004

In broad terms this is:

- employment income,
- self-employed income,
- income from patent rights,
- earnings from overseas crown employment.

This means that salary counts as relevant UK earnings but investment income and dividends do not.

Relevant UK earnings are to be treated as not being chargeable to income tax if by virtue of a double taxation agreement, they are not taxable in the UK.

E. Relevant UK individual

An individual is a relevant UK individual for a tax year, if the individual:

- Has relevant UK earnings chargeable to income tax for that tax year or
- Is resident in the UK for tax purposes at some time during that tax year or
- Was resident in the UK for tax purposes at some time during the five tax years immediately before the tax year in question and was also resident in the UK when he/she joined the pension scheme or
- Has for that tax year general earnings from overseas crown employment subject to UK tax (as defined by Section 28 of the Income Tax (Earnings and Pensions) Act 2003) or if the individual's spouse or civil partner has earnings from overseas crown employment, subject to UK tax for that tax year.

F. Pension Input Periods

A Pension Input Period (PIP) is a period over which you pay pension contributions or build up pension benefits (pension input amounts). The first PIP will commence on the date the first contribution is paid to your OneSIPP and will end on the following 5th April.

G. Safeguarded Benefits

These are pension scheme benefits that are not money purchase or cash balance benefits and include benefits from defined benefit schemes such as final salary schemes and guaranteed pensions including guaranteed minimum pension (GMPs) and guaranteed annuity rates (GARs) or other benefit promises.
