## Section 5. Lifetime allowance information

**Please refer to our factsheet entitled 'Pension Scheme Allowances & Tax Charges'. If you are receiving pension income from a drawdown pension fund which started to be paid before 6 April 2006, please contact us for details of how this should be tested against the lifetime allowance. Do not complete this section if you intend to rely on any form of lifetime allowance protection.**

Before you take any benefits we are required to test the value of your fund against the Standard Lifetime Allowance (SLA). This is to check whether the total value of all your pension funds, including any from which you are already receiving benefits, and the funds from which you are about to start taking benefits, when added together, is more than the SLA. Any funds in excess of the SLA will be subject to a tax charge, known as the Lifetime Allowance charge.

If you have been granted protection from the Lifetime Allowance Charge by HMRC, and wish to rely on such protection, do not complete this section; instead, please let us know and send us a copy of the relevant certificate.

If you feel that you may be liable to a Lifetime Allowance charge or you are unsure whether one will apply, please contact us on 0117 975 2355 and we will issue you with an additional form for completion, so that we may obtain sufficient information to assess whether or not a Lifetime Allowance charge is due. Alternatively, please contact your Financial Adviser.

The SLA is currently £1,030,000.

**I confirm that I have read the above and that the total value of all my pension funds, including any which are in payment and those from which I am about to start taking benefits, is less than the Standard Lifetime Allowance, as described above.**

## Section 6. Details of Beneficiaries

The Scheme Administrator has discretion how and to whom death benefits are paid. These benefits can be paid to one or more of your beneficiaries according to the rules of the scheme, and are normally free of inheritance tax.

Please nominate who, in the event of your death, you wish any death benefits to be paid to.

**You should speak to your Financial Adviser if you need help in completing this section.**

### Schedule of Nominations

I wish to nominate the following person(s) to receive any death benefits which become payable under my Account. I understand that the nomination(s) is an expression of my wishes, which is not binding on the Scheme Administrator.

Please indicate the percentage of your fund that you would like each to receive. You can also make a nomination to other types of beneficiaries, such as the trustees of a trust.

### **Charity lump sum death benefit**

You may nominate a charity to whom your pension fund may be passed as a lump sum on your death. This can be paid only if you have started to take pension benefits, or you are aged 75 or over, at the time of your death, and have no dependants. Any charity lump sum death benefit will be paid tax free. Please contact us if you wish to nominate a charity.

### **Tax**

In the event of your death, the benefits may be paid to one or more beneficiaries either as a lump sum, or as flexi-access drawdown.

On death before age 75, all benefits will be paid free of tax if paid or designated to flexi-access drawdown within two years of notification of death.

On death on or after age 75, the benefits will be liable to tax. Details of the tax rates that apply are as set out in our factsheet "Pension Scheme Allowances & Tax Charges", available on our website or on request.

Following the death of a beneficiary the tax treatment will depend on the age of the beneficiary who was holding the pension at their death. For example, this will normally be tax free if death occurs before age 75 and taxable if death occurs after age 75.

If your beneficiary has not withdrawn the entire pension fund before their death then the funds can be passed on again. Your beneficiary will be able to nominate other beneficiaries (also known as successors) who they want the funds to go to following their death.

The successors will then have the option of taking the funds as a lump sum or using it to provide an income.

### **Keeping your nomination up to date**

You may tell us of a change of nominated beneficiary at any time. It is important to keep your nomination up to date and that it reflects your current circumstances. The Scheme Administrator has discretion how and to whom the death benefits are paid. We will on your death make enquiries of your potential beneficiaries and take account of your wishes, but the scheme administrator is not bound by them.

Where you have asked me to give you any original policy document(s) in return for the transfer of funds and I am unable to do so, I promise that I will be responsible for any losses and/or expenses which are the result, and which a reasonable person would consider to be the probable result, of any untrue, misleading or inaccurate information deliberately or carelessly given by me, or on my behalf, either in this form or with respect to benefits from the plan.

I authorise you to release all necessary information to Sanlam Investments and Pensions to enable the transfer of funds to Sanlam Investments and Pensions.

I authorise you to obtain from and release to the Financial Adviser named in Section 10 of this application any additional information that may be required to enable the transfer of funds.

If an employer is paying contributions to any of the plans as listed in Section 2 of this application, I authorise you to release to that employer any relevant information in connection with the transfer of funds from the relevant plan(s).

Until this application is accepted and complete, Sanlam Investments and Pensions' responsibility is limited to the return of the total payment(s) to the current provider.

Where the payment(s) made to Sanlam Investments and Pensions represent(s) all of the funds under the plan(s) listed in Section 2 of this application, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from the plan(s) listed.

Where the payment(s) made to Sanlam Investments and Pensions represent(s) part of the funds under the plan(s) listed in Section 2 of this application, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from that part of the plan(s) represented by the payment(s).

If I am already subject to the Money Purchase Annual Allowance (MPAA), I have supplied the date the MPAA first applied to me in Section 2.

I understand that this does not prevent me from bringing a claim against Sanlam Investments and Pensions in the event that any act or omission by them is established.

### **A. General**

The descriptions and definitions given in these notes are for outline guidance only and are not binding in law. The descriptions and definitions which apply are those in the legislation. If you are in any doubt, you should contact your Financial Adviser, the scheme administrator, your accountant or, where appropriate, your Inspector of Taxes.

Please refer to our factsheet entitled 'Pension Scheme Allowances & Tax Charges' for more information on the Lifetime Allowance, protection regimes and tax charges that apply, available on our website or on request

### **B. Crystallised and uncrystallised funds**

Crystallised funds are those which have been designated to provide pension benefits for a member of a pension scheme even if no pension income is actually being paid, for example, where nil income is selected from your drawdown fund.

Uncrystallised funds are those which have not yet been used to provide pension benefits for a member of a pension scheme.

### **C. Flexi-access drawdown**

Flexi-access drawdown allows you to take unlimited income from your fund, which is taxed as pension income. Once you start to take income from your flexi-access drawdown fund, you will be subject to the Money Purchase Annual Allowance. This means that the annual limit of tax relief on any pension contributions paid by you or on your behalf to a Money Purchase (Defined Contribution) scheme is restricted to £4,000 pa. Any contributions over this amount will be subject to a tax charge.

### **D. Capped drawdown**

Capped drawdown is subject to a maximum income which can be taken each year. This is calculated on factors specified by the Government Actuary's Department (GAD). The maximum income is reviewed every 3 years up to age 75 and annually thereafter. If your capped drawdown income exceeds the GAD maximum income, your fund will be switched automatically to flexi-access drawdown and you will become subject to the Money Purchase Annual Allowance as described in C above. No new capped drawdown arrangements can be set up although it is possible to add funds to an existing arrangement.

If a member converts from capped drawdown to flexi access drawdown it is not possible to revert back to capped drawdown.
